

Oxfordshire Flora Group

Ashmolean Natural History Society of Oxfordshire

Calendar 2018

Some notes

- It is essential to get in touch with the person in charge of the visit to find out the timings and the meeting place and so that you can be contacted in the case of a cancellation or postponement. Their contact details are provided below.
- Not all events will appear on this calendar and others will be advertised by email to OFG supporters. If you are not listed as an OFG supporter and you would like to be, Please email postmaster@anhso-ofg.org.uk.
- This calendar may be updated during the year. To check, visit www.anhso-ofg.org.uk.
- All welcome; no expertise needed.
- We suggest that you bring a hand-lens, plastic bag and flower book and suitable clothing for the weather.
- For details of plant identification courses please visit www.anhso.org.uk.
- For details of ANHSO Field events please visit www.anhso.org.uk.

Other Events

Other field events are organised by different organisations, as follows:

- Field trips run by the Ashmolean Natural History Society of Oxfordshire, www.anhso.org.uk.
- Similar rare-plant conservation activities to those of the OFG run by the Wychwood Flora Group, <http://www.wychwoodproject.org>.
- Various field outings with the local wildlife trust, BBOWT www.bbwt.org.uk.
- Oxford Urban Wildlife Group events, www.ouwg.org.uk
- A summary of most of the events occurring in the area on the Oxfordshire Nature Conservation Forum website, www.oncf.org.uk.
